## AMUSEMENTS TO-NIGHT.

CANTERBURY .- The nightly entertainments at this popular hall are pleasing indeed. There are songs, dances, pantomimes, dramas and Ethiopian acts by the best performers in the concert hall busidess. Besides, just at this time, Mr. John Denier, the noted gymnast, is

performing here. FORD'S THEATER .- Dickens' dramatization of "Dombey and Son" is announced for tonight Mr. Florence will appear for the first time here as "Captain Cuttle" and Mrs. Florence as " Susan Nipper." If Florence renders this character as well as he does others, the entertainment will be a rich ene indeed, especially as he is sustained by an admirable company.

GROVER'S THEATER .- "The Heir at Law." and the farce of "bunduckerty's Pic-nic," are announced for to-night at Grover's. It should be remembered that this is the last night but four of the Warren comedy combination, a company in every way worth seeing and hearing. Mr. Wm. Warren is first class, as indeed are all of the company.

HAMBUJER, the great magician, opened last at Odd Fellows' Hall, 7th street. There was a good audience in attendance, and all were pleasantly mystified. His tricks and diablerie are admirable, and each one elicited much ap-

VARIETIES .- Fitz Simmons has revived his play of "The Female Pickpocket of Washington." It professes to be a picture of high and low life in the Capital City. There is also a good bill of song, dance, &c.

THE LINCOLN AND JOHNSON CLUB had another meeting last night, at the hall of the Union League. A number of new members were enrolled. Speeches were made by Capt, Beardsley, of New York, Thomas C. Connolly, of this city, and others. While Mr. Connolly was speaking a dispatch was read announcing the great Union victory in Maine, which announcement created much enthusiasm and great cheering.

The presiding officer remarked that it had been frequently asserted that heads of departments retained men in responsible positions who were guilty of disloyal practices. He desired to state that Secretary Stanton was not one of them, for a provost marshal had just been removed for that cause. A gentleman wished an assistant provost marshal nearer home could be induced to quit

the Copperhead organization, of which he is a member, or resign his position. A resolution was adopted authorizing the executive committee to arrange with the telegraph companies to furnish the club, at its

rooms, with all important telegrams pending the approaching election. With three cheers for Maine the club adjourned. SHIP'S GALLEYS .- For a long time it has

been a desideratum to have a ship's galley for cooking the food of the men, where hard or antharcite coal may be used instead of wood, and numerous attempts have been made in various parts of the country to supply this want with but little success, it being difficult to obtain a draft at sea sufficient for a hard coal fire. Several months ago the attention of the mechanics at the various Navy Yards was called to the matter, and two galleys have been made, the first by Mr. Wm. Young of our Navy Yard, and the other by Mr. Prescott, a master workman in the Portsmouth, N. H. Yard, and the two are to have a trial at sea for six months. Mr. Prescott's having already been placed on the steamer Taconey, and Mr. Young's is shortly to be placed on the Mattabassett, and it is understood that the galley proving the best adapted for the purpose will be adopted by the department and substituted for the galleys now in use. Mr. Young's galley attracts much attention. It has an important advantage in having a larger amount of baking surface than any other and occupies but a small space.

DIED IN THE STATION HOUSE .- About 814 yesterday morning, officer Howard, of the Fourth Ward, picked up a man, who was lying apparently drunk in the street, and took him to the station house. He gave his name as Thos. Conlin, is about forty years of age, an Irishman by birth and a laborer by profession. He was placed in a cell but was not locked up. He soon appeared to be sick, and the officer got a permit to carry him to the poorhouse, but unfortunately the wagon was late coming to the station. About 4 p. m. he was asked by the officer in charge if he wanted some water, and he replied that he did not. An hour later the officer visited the room and the poor fellow was dead. The coroner will be notified to hold an inquest if he shall consider it neces-SKEDADDLED .- On Thursday last, a young

man named John Shepherd was arrested by officer Shelton on the charge of committing an assault and battery on Mary A. Washington, an old colored woman residing the headquarters of the Engineer Brigade, (Navy-Yard,) and he was taken before Justice Cull, and a partial hearing was had, resulting in his being held to bail for a turther hearing on the following evening. Shepherd appeared at the appointed time, and another examination was entered into, but the case was not concluded Saturday afternoon being set for the final hearing. He, however, did not make his appearance, and on inquiry no tidings of him could be obtained, other than he had left home.

ASSAULT WITH A RAZOR .- Sunday afternoon George Davis, a colored barber, went to the house of John Mudd, colored, on 3d street, be tween Penn'a and Missouri avenues and kicked up a row with the latter's wife in relation to some washing. Mudd took the part of his wife, and Davis becoming enraged drew a razor and cut Mudd on the arm and then knocked him down. Davis was arrested Sunday night by officer Skinner in Tin Cup alley, and in the morning he had a hearing before Justice Boswell who fully committed him for

DISORDERLY FEMININES .- Yesterday morning before daylight Emma Corbett and Emma Cover, two gay damsels from Austin's Cove, went to the residence of a young man on 6th street, near Pennsylvania Avenue, and disturbed his repose especially, and that of the neighbors generally, by rapping at his door, screaming, cussing some, and using language of a very indecent character. Officer McColgan arrested them and took them to the 4th ward Station-house, where they remained until the trial hour, when they were discharged upon paying fines amounting in the aggregate

A COMPLAINT-Editor Star:-Will you please oblige one of your subscribers by inserting the following in your valuable paper? "At 10 o'clock p. m., on the 11th inst., I had occasion to procure medicine for a person suffering intensely, but though I tried five different Drug Stores on Penn's avenue, and after almost pulling the bells down at each of

them, I could not obtain admission. "Do these Druggists imagine that medicines are only required by the public during the time they please to keep their stores open ?" WASHINGTON, Sept. 12th.

SMASHING THINGS GENERALLY .- Yesterday morning, Charles Bennett and Francis Kelly, two citizens, working at Giesboro, went into Wolf's restaurant, on 11th street east, near the Navy Yard Bridge, and kicked up a row, assaulting the proprietor's wife, taking the dishes from the table, and smashing things generally. They were arrested by officer Grant and taken before Justice Cull, and committed to jail for

TILL LIFTING -Yesterday morning, the shop of John Haystump, near the "Branch" Hospital, east of the Capitol, was entered while the family were at breakfast, and the till robbed of about \$9 in change. Suspicion fell on a colored girl named Mary Grandson, and she was arrested yesterday afternoon by officer Harrison, and she was taken before Justice Cull, when some money found on her person was identified by Mr. Haystump, and she was committed to jail for court. HEAVY ROBBERY .- Last night the Grocery

store of Messrs. Thomas and Jones on 7th street east, between G and I streets south, was entered by some thieves who effected an entrance by forcing open the back door. The desk was opened it is supposed by means of a false key, and robbed of about twenty-one hundred dollars. No clue has been obtained as yet to the thieves. The same was robbed about a year since, of about two thousand dollars.

Whipped his Father.—On Saturday Dennis Holly, an old colored man went to a store and bought liquor, and then procured a warrant against the man for selling without license. Holly's son John, a youth of about 30, hearing of the action of his father, went to his house and whipped him. The latter was arrested by officer Barker and taken before Justice Rose officer Barker and taken before Justice Bos-well, who held him to bail to keep the peace.

THE SEMMES HOTEL .- The fine hotel building which has been lately erected by our enter-prising citizen, Mr. John H. Semmes, on Louis-iana avenue, between 6th and 7th streets, has been leased by Mr. William R. Sluyter, and will be opened at an early day, and conducted on the European plan.

Rand's Specific is exhibited in the form of pills, made up entirely of substances that have a specific effect upon the generative organs. Most persons associate the idea of operations upon the bowels from taking any kind of pills. The Specific of Dr. Rand is not intended as an evacuating medicine. Its medical virtues are expended entirely upon the impaired generative organs. The pills are not unpleasant to the taste, and many persons masticate them with impunity before swallowing them; which plan we would always recommend, as affording the speediest way to get the effect of the
